

### REMARKS

Claims 53-104 were pending in the application and Claims 84-104 have been allowed. Claims 62-73 have been objected to as being allowable but pending from a rejected claim. Independent Claim 53, from which Claim 62 depends, has been incorporated into Claim 62. Therefore, Claims 62-73 should be in condition for allowance.

The rejection of Claims 53-61 and 74-83 is respectfully traversed. The limitations of allowable Claim 62 have been incorporated into Claim 54 and into Claim 74. Claim 53 has been canceled. This should place Claims 54 and 74 in condition for allowance as well. The remaining claims depend from Claims 54 and 74 and, therefore, should also be in condition for allowance.

In view of the foregoing amendments and remarks, the Examiner is respectfully requested to reexamine the application, to reconsider and withdraw the rejection, and to promptly allow the case and pass it to issue.

If the Examiner has any further questions, he is invited to call applicant's attorney at the number listed below.

Respectfully submitted,

CHRISTENSEN O'CONNOR
